

Directions:

Take either the Ginza, Chiyoda or Hanzomon Subway Line to Omotesando Station. Walk out the B3 Exit of Omotesando Station and turn left on Aoyama Dori. Turn left again at Max Mara onto Koto Dori. Walk past Nikka Whiskey and you will see the "Wings Club Model Shop" which has a large blue flag outside. A few metres further on is a small lane. Turn left into this lane and you will see "Raykay Minami Aoyama Building" on the right - a large metal-clad building. We are located on the first floor of the Raykay Minami Aoyama Building.

There is an autolock system. Please call extension 7405 from the telephone located in the lobby entrance. In the event that you visit out office after hours and the front glass door to the telephone lobby is not open, there is a gray metal box built into the wall to the left of the front door. You may open this box and push the intercom button labeled "AU".

It is about a 7-Minute walk from Omotesando Station B3 Exit.
